

2009 NEW & IMPROVED

ACE Valley Pool Leagues

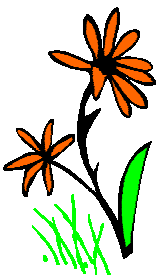

Welcome to ACE 2009 Summer Valley Leagues. Enclosed you will find a league sign-up sheet, an organizational meeting flier, an info sheet on the **WEEKLY BREAK 'N RUN**, and more. **We have recently changed the format of the league nights, so be sure to take a look!** We also would like to welcome Smokey's as one of our locations!

We are dedicated to making our equipment the best in town. We have recovered, releveled and checked all rails and balls on our league tables. If you see anything that needs done to the tables, please let us know! We will fix it! This is your pool league. We want to hear from you if you have any questions, comments, concerns and/or suggestions. We cannot improve the leagues if we are not receiving any feedback - good or bad.

All league players are entitled to a 15% discount on accessory items at ACE Game Room Gallery - 2525 W. Jefferson Blvd.

Stop in and see our extensive selection of billiard & game room items.

Your sanction fee of \$9 (\$7-VNEA, \$2-IAMOA) will be due on your first night of play. League fees are \$6 per person per night of play. **First night of play will be \$15 per player.** The prize fund goes back to you in cash payouts at the end of the season. **This means that the more teams we have playing, the larger the payout will be!** This is a great time to recruit your friends to join the fun!

Thank you for your continued league support!
We appreciate your participation and input!
